Produces large heads with consistent size  
Strong tip burn tolerance and strong germination  
Good option for early desert plantings and other hot production regions

## CROP CALENDAR

### YUMA/IMPERIAL VALLEY

■ Sowing   ■ Transplanting   ■ Harvest

**Vilmorin is a brand of the Business Unit Vilmorin-Mikado.** The genetic resistances are not dispensed from prophylactic measures to be used as an addition. Our recommendations, suggestions, growing cycles and maturity information are only indicative and based on our own observations and our general experience. They are not contractual and they do not necessarily imply a successful harvest and/or result. The success of the cultivation also depends on factors non-related with the seed.
